

# Croom Physics Math Text to Wiki Procedure

1. Log in to wiki
2. Click Edit
3. Where you want to type the math formula type `<math>ENTER CODE HERE </math>`

To determine the code go to

For more details about formatting go to: [http://en.wikipedia.org/wiki/Help:Displaying\\_a\\_formula](http://en.wikipedia.org/wiki/Help:Displaying_a_formula)

Some examples of this are:

If you want the fraction  $\frac{2}{4}$  you would type it as  
`<math>\frac{2}{4}=0.5</math>`

If you want the square root of 2 you would type it as  
`<math>\sqrt{2}</math>`

If you want to write  $3^2$  you would type it as  
`<math>3^2</math>`

Additional codes can be found at [http://en.wikipedia.org/wiki/Help:Displaying\\_a\\_formula](http://en.wikipedia.org/wiki/Help:Displaying_a_formula)
